ANNOUNCEMENTS

NYC—What is NYC? If you have a teen in your home, you should know the answer to this question. NYC is coming in July of 2019.

Last Sunday—You gave \$535 toward our work in Southern Africa. Thank you. If you still wish to give, we will add your gift to that total.

You Are Invited—to the Graduation Open House for Tyler Griffin, June 9th, 3-5 PM. 234 N. Prairie Ave. Mundelein.

Next Sunday—Will be our Fist Sunday, and we will have taco night. We will provide the meat and the shells, bring other ingredients, or anything that goes with tacos.

Those in whom the Spirit comes to live are God's new Temple. They are, individually and corporately, places where heaven and earth meet.
