ANNOUNCEMENTS

NYC—What is NYC? If you have a teen in your home, you should know the answer to this question. NYC is coming in July of 2019. **If you wish to register there is a Deposit of \$249 due on Aug 1st.**

School Packs- We will begin our annual collection for **School Pal Packs** today. This NMI donation helps many in need children around the world stock up with necessary supplies for the school year. Please see Marlene Kochersperger in the Welcome Center for an example and list of needed items. Thank you!

LOBJECT—The sermon series from 2 years ago is now a book. You can get a copy of your own for \$15.00, or 2 for \$25. This a great resource for a friend or a family member on the fence about Christianity.

Small Groups will be starting in the fall. Will you be a part? We need to begin another small group and you might be the key.

Make A Difference- Help Love Inc. unload and deliver items that help the needy. See John Dickson if you want to help.

NOTES:

Don't let anyone or anything drown out that still small voice that says, "You were made for more."
