ANNOUNCEMENTS

Thank You - You have pledged \$11,200 toward our Parsonage project. All \$11,200 has been received.

Over the past few years, many of you have generously donated to the P.L.A.N. Ministry. We collected items for their food pantry and gave assistance in their outreach program. We have decided to discontinue our corporate involvement at this time, however if you would like to continue in this worthwhile endeavor, please call the church office and Mary will give you any information you need. A special thank you to **Fran Bryant** for donating her time to coordinate this, resulting in an “easy” way for us to help those less fortunate.

Our District Superintendent will be with us next Sunday. Plan on making this a great day. We need you here! There will be a short board meeting immediately following next Sunday morning.

Small Groups—We will have a number of small groups this fall. Plan on being a part. If you wish to host or lead, talk to Pastor Doug.

We are collecting items for our School Pal-Paks. Specific items are needed to donate to children in need as they begin another school year. Please see Marlene Kochersperger or Sharon Dovin if you would like to help. Donations will be accepted until September 3.

A thorough knowledge of the Bible
is worth more than a college education.
